

LIVE LIKE A BABY

Am C G E Am C G E
I just want to live like a baby I don't want to grow up anymore
Am C G E Am E Am
I just want to live like a baby rolling around on the floor

Am C G E Am C G E
I was born I was small now I'm grown big and tall
F C E F E
when I was a baby the world seemed to be a cartoon made of dreams
Am C G E Am C G E
I got love thats radiatin' as if I'm always meditatin'
F C E F E
turns out life is like this simple song and if you want to sing along

F C E Am F C E
oh oh oh we've all got a long way to go oh oh oh so long to go so why not

Am C G E
cancel your insurance and stare at your toes
Am C G E
abandon your car cause there's nowhere to go
F C E F E
erase everyone from your telephone do not pay your bills
Am C G E Am C G E
open your eyes and open your mind the world is made of a twinkling light
F C E F E
stop growing up for goodness sake throw your computer in a lake

Am C G E Am C G E
I just want to live like a baby I don't want to grow up anymore
Am C G E Am E Am
I just want to live like a baby rolling around on the floor
Am C G E Am C G E
I just want to live like a baby I don't want to grow up anymore
Am C G E Am E Am E
I just want to live like a baby rolling around rolling around
Am E Am
rolling around on the floor
