

SUNNY SUMMER SUN

A B G D
how are you gonna keep your cool? (under the sunny summer sun)

C F
see the ice cream cones all frown (they're getting super drippy)

C F
and the popsicles all cry out (hey you better eat us)

D G
hear the sno cones scream and shout (help we're getting melty)

D G G#
and the ice cubes look so sad

C F
see the polar bears put on hats (tryi'n to get cooler)

C F
and the penguins buy cold drinks (to keep from falling over)

D G
the little arctic fox is sad (he wishes he was colder)

D G G#
all the snow balls just give up (and melt)
