

MISTER CLOUD

C G F
you are a million billion droplets of water

C G F
you disappear when the sun gets hotter

C G F
I saw you in the valley as fog

Dm A
you looked so fluffy and white

Dm F G
you live in the sky and I'm talking to you

C
Mister Cloud

G F C G F Dm A G
I'm talkin' to you Mister Cloud (x2) I'm talking to you

C G F
a rainy rain storm fell out of your bottom

C G F
and into rivers running rapid in autumn

C G F
you come from oceans and you'll be back again

Dm A
you look so different when

Dm F G
you live in the sky and I'm talking to you

F C A#
you look like elephants now you look like a donkey

F C A#
if I squint at you I see a big weird monkey

F C A#
you change a lot and you are never the same

F C A# F
you live in the sky and I'm talking to you mister cloud

C A# F
I'm talkin' to you Mister Cloud (x3)
