

TURTLE TRAIN

C G F# G E D
all aboard the turtle train choo choo
C G F# G E A
all aboard the turtle train choo choo

G E D Bm
goes so slow it might go backwards getting passed by walking black birds
Em F# Bm
even slugs and snails are faster (speed is not what this trains after)
G E D Bm
going slow is all it's up for listen to the train conductor

G E D Bm
if you're late then catch another wave bye bye to father and mother
Em F# Bm
it takes an hour to leave the station (so you've got time for conversation)
G E D Bm
lower your window and blow them kisses through the station the engine hisses

solo G E D Bm Em F# Bm

G E D Bm
bridge is out don't make a fuss this train is amphibious
Em F# Bm
the only train I know that floats (better than the floatiest boats)
G E D Bm
back on track and at full steam hear the whistle time to leave

C G
all aboard the

Em A D
ahh ahh turtle train
D7 Em
you got time to take your time so let's go
