

## RAIN RAIN COME TODAY

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

          C                            Em  
the clouds are out now droppin' water down

Dm    G  
plip plop dropping drops onto the ground

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

C    Em  
ducks in the puddles and the mud is all muddled

Dm    G  
hide in the pines where the other ducks huddle

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

C    Em  
it's easy to forget how wet it all gets

          Dm    G  
so let it get wetter don't go away yet

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

C    Em  
frogs hip hop through the sloppy boggy logs

Dm    G  
wow it's raining cats and dogs

C            Em    Dm    G            C    A#    C  
all I wanna do is play all day in the rain

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

          C                    Em  
the wind begins to blow my friends

Dm                            G  
makin' the trees all sing and bend

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

C                    Em  
play in the grey in April and May

Dm                            G  
people say hey do you miss the sun's rays? (no)

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

C                    Em  
lightning splash bright lights won't spark

Dm                            G  
you can light a flashlight and light up the dark

C            Em            Am            A#  
(rain rain come today I love you rain don't go away)

C                    Em  
summertime storm thunderheads form

Dm                            G  
outside all day I stay warm

C            Em    Dm    G            C    A#    C  
all I wanna do is play all day in the rain
